July 2015

STITCH –N–PITCH!

No formal meeting was held this month, instead you hopefully attended the Applesox baseball game on July 7, for ‘Stitch-n-Pitch’. In spite of the heat, great fun was had by all!

**Next meeting
Tuesday, August 4th
at the Eagles Lodge**

Program: Review and amend our By Laws to bring them up-to-date with current activities and actions. Topics to be covered include: Authority of the Board; Conflict with current fiscal year and Board term duration with By Laws; length of term for Board members; and voting procedures to pass proposed issues.

PLEASE GET INVOLVED!

We are looking for candidates for next year's Board, terms begin in August. Contact Victoria Bosche with nominations or if you are interested, 206-390-0033 or mvbosche@msn.com. While the guild does not require volunteer member participation, we cannot continue without it. Please consider filling one of the open positions. Past officers and chair people are happy to guide or assist you, and could also answer any questions if you're on the fence about running for a position.

Vice President, Secretary/newsletter, and a third or fourth program chair are still open.

Workshops/Events:

- **Afghan Sampler**—At the last meeting, squares were partially assembled into 4 rows of 4 squares. Victoria will email info regarding the next assembly meeting to participants.
- **Chelan County Fair and Harvest of Quilts Show**—Both of these events fall on the same weekend this year, Sept 12-13th. A committee was formed to determine whether to participate in both, and the outcome was YES! A suggestion was made to have a banner made, and Vic asked Kathy Jo if her husband would build another hinged display screen. Another suggestion was to purchase an old ladder (or other object) to yarn bomb and use for display. **Many volunteers will be needed to staff both of the booths, so please sign up when the time comes.** You can participate for as few as 2 hours, and sign up with a knitting buddy! No experience needed, you simply staff the booth and chat with people as they stop by. Did I mention that you can knit the whole time you're there?
